

Certificate

Mr. Torben Mürmann, Ing.-Büro Querin GmbH

attended the

Instruction for performing initiation of Underwater Locating Devices Type PT9 C-Proof

covering the following main focuses:

- **General orientation in operation, intention and function**
- **Tools and accessories**
Correct use of tools and accessories, usage of lubricants and detergents
- **Mounting**
Measuring of the battery voltage, functional test of PT9 C-Proof by acoustic tester and multimeter, maintenance and cleaning
- **Practical exercises**
Assembly of the PT9 C-Proof and proper labeling, functional test of PT9 C-Proof

The instruction qualifies for initiation at Underwater Locating Devices, Type PT9 C-Proof
(statement of conformity: BSH 46162/0010660/07)

Sulzberg (See), dated 21.12.2016
